To all Northern Oneida County ATV Club members and all ATV enthusiasts,

In a continuing effort of mutual club cooperation and ATV trail expansion in the Tughill Adirondack region, NOCATV Club is proud to announce it is joining the other current member ATV clubs and becoming a member of the Lewis County ATV Trail System. When you buy a 2018 Lewis County Trail permit you will now be able to choose to join the NOCATV Club and receive a discount for the permit.

In the past months, NOCATV Club has been in discussions to connect trails from Boonville to the Lewis County Trail system. This joining forces is to expand efforts to connect all trails together with clubs helping with maintenance, volunteers and working with public officials on new trails, along with Lewis County Recreation Dept.

Your support in becoming a member of a sponsoring club(s) and buying a Lewis County Permit helps with the costs of maintaining trails, legal fees, getting land access to new trails and most importantly your help as a volunteer in the club(s) in whatever way possible.

Remember, without the ATV clubs and Lewis County Recreation, Forestry and Parks you would have very little trails or roads to ride in NYS!
