May 2019

Welcome to the Northern Oneida County ATV Club, Inc. newsletter for May 2019.

This Memorial Day, please take a moment to remember those in the military who gave their lives for us and for the families who have lost a loved one.

For members who have renewed their membership, Thank You for your continued support. For new members, Thank You for joining us!

Our May meeting was held on May 22, 2019 and here are some of the items that were discussed. Remember, this is just a brief summary of the meeting.

The meeting was opened with the Pledge of Allegiance by President Guy Case.

The minutes from our April 24, 2019 meeting were handed out and voted on and passed.

Introductions of all those in attendance, also the Officers of President and Treasurer and the substitute Secretary, Volunteers Trail Coordinator and Web Admin.

The Treasury report was given by Lynda F. , Treasurer. Motion made to accept the report and passed.

The chicken bbq was held on Saturday, May 11 from 6 AM until about 1:30 PM when the chicken was sold out at the Great American grocery store parking lot in Boonville. It was a sellout! Again!

The Northern Oneida County ATV Club would like to say "Thank You" to those that stopped by to purchase some chicken or swag or enter the raffles and those that joined the club at the bbq. Also, a "Thank You" goes to our volunteers, including several non-members, John F, Allyn K, Lynda F, Vickie V. Jeanne M, John M, Tim F, Greg S, George M, Dave S. Leonard K, Bob K and to those that donated items for the bbq or raffles. The winner of the Lottery Board was Lynda F and the winner of the basket of cheer and party goods was Roger M.

Thank you to our Facebook friends for sharing our posts and other web sites for sharing our bbq info on their web pages.

Lynda F. paid the club insurance, required by NYS, for the next year, effective June 1, 2019. The proceeds from the chicken bbq pay for this expensive insurance, which every ATV club pays based on their membership. Please remember this when clubs have events and ask for your support.

The Woodsmans Field days is scheduled for August 16-18. The club would like to setup a booth again this year but needs volunteers to staff the booth. The booth must be manned all three days. Again, if you would like to volunteer any time helping out, please Email or Facebook us at our sites listed below or come to the May 22 meeting.

There are still currently two club positions open, Vice-President and Secretary. If you would like to get involved with your club in either of these positions, please contact us via Email or Facebook at our sites listed below or at a meeting.

Our Facebook (nocatvclub) and web site (<http://www.nocatvclub.com>) have been updated with the latest news. A new link for the latest news of the Lewis County ATV Trail System is [here](#).

The status of our goals to expand NOCATV Club trails and also extend the Lewis County ATV Trail System down to the village of Boonville continues.

The Lewis County trail status was presented by Guy C.

The current trail expansion NOCATV Club has been working is a Lewis County ATV Trail System connector from the Village of Boonville to some point on the existing southern end of the Lewis County ATV System trails. As of this meeting, each landowner contacted, except one, had shown interest on having the trail cross their land. The one landowner is undecided at this time. We will continue working on this.

The NOCATV Club trail status was presented by John F, Trail Coordinator

Our goal of trail expansion of the NOCATV Club trails moved a step forward this month. Our Trail Coordinator met with the landowner to visually see the specific small area the club is considering crossing on his land with a short connector trail. John and the landowner rode the potential path the new trail will take and the landowner took notes and pictures of the area for his records. There were some concerns that still need to be addressed before the final go ahead. We will continue to work with the landowner to resolve the concerns. This connector trail would connect 2 parcels we currently have riding permissions for.

Without this connector trail, the other trail option requires a bridge over a stream and getting permits to build the bridge. At this time, its too much paperwork for one or two volunteers to handle. One of the two parcels currently has trails and the other substantial parcel has no trails built on it but we have permission to build new trails by the current landowner once we gain access..

A new effort by Northern Oneida County ATV Club is in the early stages of investigation into the feasibility of a trail from Boonville to Forestport. President Guy C. is working this and waiting for feedback from multiple people to get the ball rolling.

The Lewis County ATV Roundtable was cancelled on May 13 at the Lewis County Search and Rescue in Lowville. Round table meetings are sponsored by Jackie Mahoney of the Lewis County Recreation Dept. The next roundtable is scheduled for June 10, 5:00 pm at the Lewis County Fire and Rescue in Lowville. Open to all ATV enthusiasts.

A new option this year is if you have a current NOCATV Club membership card and want a LC Permit, you can now upload your membership card with your ATV registration while applying for the permit. This will get you the \$20 discount on the first permit.

Note that due to technical difficulties, the web site was shutdown but may be back online as this is written. You can still purchase the permits in person thru the Lewis County Chamber or at the other sellers listed on the Lewis County ATV web page.

Northern Oneida County ATV Club is selling the official Lewis County ATV Trail System maps at the Boonville Town and Village Offices and the Boonville Chamber of Commerce. Call the offices to be sure someone is in the office when you visit. They are also available at The Lodge at Headwaters in Boonville or at our meetings.

The club has shirts (orange logo) for \$15.00, all sizes; hats, including camos (orange logo) for \$12.00 and koozies (assorted colors) for \$2.00. If you would like to purchase any of these contact us via email or on Facebook. To see these, go to our [website](#).

The next Northern Oneida County ATV Club meeting is scheduled for Wednesday, June 26 at 6:30 PM

In closing, some reminders:
