

Dear Business Owner,

As the official publisher of the Lewis County ATV trail maps, we would like to offer you the opportunity to reserve an advertising space for the upcoming ATV season.

Five thousand colored 3’x2’ ATV maps will be available Spring 2021 for the riding season. The front of the map will be created by the Director of Lewis County Recreation, Forestry and Parks, Jackie Mahoney. The layout and printing of the maps will be done by Rachel Grunert, our webmaster. All advertising businesses will have the location of their business indicated on the map.

These maps will be given to each permit holder and will be available for individual purchase of \$5.00 per map. Each advertising business will receive free maps depending on the size of their ad.

The following ad sizes are available:

Ad Size (WXH)	Cost - (Chamber Member)	Cost - (Non-Member)	Number of Free Maps
3"x1.5"	\$200	\$250	5
3"x3"	\$275	\$325	10
3"x6"	\$445	\$495	15
