August 7, 2024

**WELCOME**

Welcome to the Northern Oneida County ATV Club, Inc. newsletter for August 2024.

Hello,

My name is Shannon Miller, NOC ATV Club Secretary. I just wanted to take a moment to send out a few reminders.

Boonville Town board meeting will be Monday 8/12/24 at 7pm at the Village/Town office building. We would like to see a large attendance as last month only a handful were there and we seemed to have gone backwards with an attempt being made to close roads that were already open. Having a large attendance from club members will show we have not backed down and lost our drive to move the town to open roads.

Boonville Village board meeting will be Tuesday 8/13/24 at 7pm. Same thing as the Town, we would like a decent amount of people to show up, again, to show that we are not backing down.

Looking for volunteers for manning the table at the Woodsmens Field Days. CJ Logging and Motor Sports has donated some of their space to us free of charge, to set up a table to sell new apparel (100 tshirts and 200 hoodies have been ordered through Dawn Crofoot: DRC Apparel & Promotions) and memberships. The Woodsmens is open Friday, Saturday, Sunday (August 16-18) 8am-5pm. Anyone willing to volunteer their time would be greatly appreciated. Contact Rodney Grower to sign up (call or text 315-796-3037)

Please let Rodney Grower or Charlie Domville know if you will be participating in the Woodsmens parade on Saturday 8/17/24. Lineup starts at 11 am, parade starts at noon.

The monthly NOC ATV Club meeting will be August 28th at the Boonville VFW at 630pm.

We are also looking for input on a tentative club right on 9/15/24. We can discuss further at the meeting on 8/28/24.

If anyone has any questions or concerns, please feel free to email back.

Thank you,  
Shannon Miller, Secretary
