Some of the items from the October 2018 meeting:

The following positions were voted on for a 2 year term: President; Henery Barto, Vice president; Guy Case, Treasurer; Lynda Fredrick and Secretary was unfilled. Two positions are filled by volunteers John Furness as trail coordinator and John Mola as admin for our Facebook page and nocatvclub.com web page.

If you are interested in the position of Secretary and would like more information about the position, please email the club at the address below. You may also contact us via the Facebook page or by postal mail. The position will become effective immediately.

We are working hard with Lewis County ATV Trail System and Highmarket Wheelers ATV Club to get a link from the Boonville to the Lewis County Trail System. We still need a few more landowners to make it all work. If you know any one in that area to allow a trail thru their property, please contact us.

Also, we are still in the loop waiting for state approval to expand the NOCATV club trails. They were delayed due to other organizations interested in creating trails in the same DEC district office that we are working with. So the DEC decided it will address all interests at once.

At the end of the meeting, our 2018 annual raffle winners were drawn and contacted.

1ST \$150.00 worth of lottery tickets.....Mark Swartout from Boonville

2ND \$100.00 gift card from Runnings.....Teresa Mooney from Boonville

3RD \$100.00 gift card from Bass Pro Shoppe.....Karen Howard from Woodgate

4TH \$50.00 gift card from Herb Philipsons.....Ray Berkowski from Hampton Bay

5TH \$20.00 family membership to NOCATVCLUB.....Patrick Waite from Boonville

Thank you to all that purchased raffle tickets.

Hope to see you at a meeting!

From the officers and staff, wishing you a safe and fun ATV riding season.
