Next month we will update the attached sponsor list and our web site with those that currently support the club with recent donations.

NOCATV CLUB TRAIL NEWS

Our Trail Coordinator, Greg S. reports the NOCATVCLUB club trails are generally in good shape but with recent rains a few mud holes exist. They do need to brushhogged. We are looking into how to get this done.

Reminder, you should have your 2021 NOCATVCLUB sticker displayed on left front side of your machine(s).

web: www.nocatvclub.com Email: nocatvclub@gmail.com Facebook: www.facebook.com/nocatvclub

Also, proof of insurance and helmet are required. Please stay on the trails. Please be cautious of rocks, stumps, trees or other debris on the trail at any time. Any trail concerns, please contact us.

NOCATV CLUB TRAILS EXPANSION

We are looking at maps to determine some possible new trail routes off of our current trails. Some routes have been identified as preferred but need to be checked out in person before we commit to the path to take, so as to avoid streams or wetlands.

FORESTPORT TRAIL EXPANSION

If you are interested in trails in Forestport, you need to contact the town Supervisor regarding our request. Without ATV enthusiasts and the businesses that want the trail access getting involved, our hands are tied. If you want to get Forestport connected, reach out to the town Supervisor, TJ Entwistle, Phone: 315-392-2801 ext. 2 and let him know you want action on our request.

VOLUNTEER OR ELECTED POSITIONS

There are still currently two club positions open, President and Secretary. If you would like to get involved with your club in either of these positions or learn more, please contact us via email, US mail or on Facebook at our sites listed below or at a meeting. As an official or volunteer, your involvement in the club helps determine our future. Official elections will take place at the October meeting.
