### DONATION

Our sponsor and club member, Charlie's Liquor helped the Lewis County Humane Society and their Pet Food Drive in September. People were able to donate dog or cat food and toys at Charlie's Liquor and the liquor store delivered a truck load of donations to the Humane Society. NOCATVCLUB voted to make a donation to help our four legged friends.

### BBQ FIRE PITS

The club has its own fire pits that are used for our annual chicken bbq. This year we observed the pits are rotting out after many years of use. One of our members, Pat W. came across 3 oil tanks that were going to be scrapped..There are hard to come by now a days. The club purchased them at the cost of \$20 each.. Now we need some recommendations for who we can get to cut them in half for us. Also, someone to weld some legs to them.

Anyone who would like to donate money towards the cost of these can send a check to the address below and mark it BBQ Pits.

### CHAIN SAWS

The club had owned 2 chain saws that were used to maintain the trails. They are rarely used and us old timers found starting the saws at every stop was tiring. As most of you know, gas machinery does not like to sit unused for long periods of time without doing damage. For now most of us who do trail work have our own saws. Eventually, the club hopes to purchase a cordless chainsaw. The saws were sold to our local snowmobile club, the Lost Trails. They allow our club to use a portion of their snowmobile trail to access our trail system.

### CLUB MERCHANDISE

The new club web store is under development by our supplier. We are moving forward and hope it will be on-line soon in time for the holiday gift giving.

### **NOCATV CLUB TRAIL NEWS**

Our Trail Coordinator, Greg S. reports the NOCATVCLUB club trails are generally in good shape with several trees blocking the trails. Thank you, Greg for removing the trees.

Trail signs were removed for the winter. 2 signs were stolen this season.

**Remember, due to hunting, the last day to ride the NOCATV club trails was September 30.**

### **NOCATV CLUB TRAILS EXPANSION**

This is still a work in progress.

### **FORESTPORT TRAIL EXPANSION**

If you are interested in trails in Forestport, you need to contact the town Supervisor regarding our request. Without ATV enthusiasts and the businesses that want the trail access getting involved, our hands are tied. If you want to get Forestport connected, reach out to the town Supervisor, TJ Entwistle, Phone: 315-392-2801 ext. 2 and let him know you want action on our request.

### **ELECTED POSITIONS**

Nominations are now open for President, Vice president, Secretary and Treasurer. If you would like to get involved with your club in either of these 2 year positions or learn more, please contact us via email, US mail or on Facebook at our sites listed below by October 25. A form letter is attached if interested.

You could also come to the October 22 meeting. As an official, your involvement in the club helps determine our future. Official elections will take place at the October meeting with positions effective Jan 1, 2022.

If you would like to volunteer, let us know what you are interested in.

***Its sad that with all the members we have, we cannot get anyone to fill the President or Secretary positions. Maybe its time to shutdown the trails and put the club in hibernation for lack of leadership. A big thank you to those that are keeping the club running with the 2 vacant positions.***
